

Invitation to

WINTER COACHES CLINIC

AUSTRIA – VÖCKLABRUCK, 17.-19.1.2014

presented by ISG Baseball & OÖBSV

Dear Coaches

The OÖBSV (Upper Austrian Baseball- and Softball Federation) and the Athletics Attnang-Puchheim are going to host a baseball clinic for coaches & players, together with ISG (International Sports Group) www.isgbaseball.com, 17.-19. January 2014 in Vöcklabruck (Upperaustria).

The clinic is designed to fit baseball coaches of all experience levels. Experienced Coaches will get their share as well as future and becoming coaches that might be active players at the moment but want to get an inside look on the interesting world of coaching baseball.

We put together two packages to make your stay as convenient and enjoyable as possible. Especially the Saturday night event and dinner will be a great chance to exchange with the coaches.

Even though it's considered a coaches clinic, we would like to recommend this clinic also to active players that want to learn more about the game of baseball and like to cover all the aspects of this game.

We are looking forward to see you as a participant at this entertaining and informative weekend.

On behalf of all the organizers

Sebastian Libiseller
