The CB Viladecans was founded to promote the diffusion of this sport in Catalonia in the year 1945. Thirty years later, in the year 1979, the feminine section started practicing Softball and being proclaimed junior nacional winner in 1986 and the Nacional League in 1992.

The baseball senior team gained in 1982 for the first time the Spanish League and the King's Cup. It was the first of the 21 consecutive leagues that the club won until the year 2002.

In 1987 was inaugurated the Viladecans' Municipal Baseball Field, which after some progress was an Olympic subhead office and lodged classification parties in addition to one of the semifinals of the Olympic Games of Barcelona 1992.

In 2014 arises the category Slowpitch in the Club, thanks to the possibility of being able to dispute an annual tournament, the "Masters Slowpitch " organized by the Catalan Federation of Baseball and Softball, and who laterly added the Catalan League and Cup to themselves.

This year, with the marvelous reformed softball field, the club has decided to create the "Viladecans International Slowpitch Tournament". To promote this sport in the city and show how can be a quite competitive and exciting game. Let's go!
